Tuition and Fees - The average cost of tuition and fees for a typical student based on enrolling for 30 hours per year. The actual costs that a student incurs will vary depending on the student's degree or certificate program.

Books, course materials, supplies, and equipment-An allowance for books, course materials, and equipment, which must include all such costs required of all students in the same course of study, including a reasonable allowance for the rental or upfront purchase of a personal computer, as determined by the institution.

Living Expenses - A reasonable estimate of what it would cost for food and housing while attending school. Actual costs may vary by individual choices related to location and circumstances.

Transportation - The average costs associated for transportation between campus, residences, and work.

Miscellaneous personal expenses - The average costs associated with personal costs during the academic year such as toiletries, clothes, etc. for a student attending the institution on at least a half-time basis.
