HOWARD COUNTY JUNIOR COLLEGE DISTRICT
TAX ABATEMENT GUIDELINES AND CRITERIA

The purpose of this document (these “Guidelines and Criteria”) is to establish guidelines, criteria, and a uniform policy of tax abatement for owners or lessees of eligible facilities willing to execute tax abatement contracts designed to provide long-term significant positive economic impact to the community by utilizing the area contractors and workforce to the maximum extent feasible, and by developing, redeveloping, and improving property. In the event of a conflict or inconsistency between the provisions of these Guidelines and Criteria and those of Chapter 312 of the Texas Tax Code, the terms of the Texas Tax Code shall control.

Notwithstanding the criteria set forth herein, the Howard College Board of Trustees reserves the right to negotiate the terms of any Abatement Agreement in order to compete favorably with other communities and may include provisions that are more or less restrictive than these Guidelines and Criteria if deemed necessary.

Only that increase in the fair market value of the property that directly results from the development, redevelopment, or improvement specified in the contract will be eligible for abatement, and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the applicant located within the Reinvestment Zone.

This policy is effective as of 1/2/20 and shall at all times be kept current with regard to the needs of the College and/or the District and reflective of the official views of the Howard College Board of Trustees.

TAX ABATEMENT COMMITTEE-SECTION 1

A. A Tax Abatement Advisory Committee exists which is composed of at least, but not limited to, one representative of the City of Big Spring City Council, one representative of the Howard College Commissioner’s Court, one representative of Howard College Board of Trustees, and three members appointed by the Big Spring Economic Development Corporation which shall include a Certified Public Accountant, a Developer, and a representative of the financial community. However, nothing herein shall limit the discretion of the Howard College Board of Trustees to consider, adopt, modify or decline any tax abatement request.

(1) limit the discretion of the Board to decide whether to enter into a specific tax abatement agreement;

(2) limit the discretion of the Board to delegate to its employees the authority to determine whether the Board should consider a particular application or request for tax abatement; or

Abatement may be transferred and assigned by the holder to a new owner or lessee of the same Eligible Property only upon the approval by resolution of the Board, subject to the financial capacity of the proposed assignee and provided that all conditions and obligations in the Abatement Agreement are guaranteed by the execution of a new agreement with the District.
