1	Howard College is a great college. You will not find a better group of professors. However communication with the business office needs improvement.	6/3/2014 9:31 AM
2	Teachers care more about students here than at a four year university. Felt more at home here then at ASU.	5/17/2014 7:25 AM
3	absolutely great	5/17/2014 2:44 AM
4	Loved attending Howard College, all staff is very helpful!	5/16/2014 10:24 PM
5	My experience at Howard College was excellent. I appreciate all the help I received from Natalie Davis and Danny Flores while I was in the Surgical Tech program.	5/16/2014 7:14 PM
6	I have truly enjoyed my experience at Howard College. One contributing factor is the friendliness of staff and teaching personnel. Planning to attend additional classes at Howard.	5/16/2014 3:50 PM
7	It was overall a good experience	5/16/2014 7:59 AM
8	I had a great time learning here and the college is amazing.	5/14/2014 9:57 PM
9	Great college.	5/14/2014 6:33 PM
10	I REALLY ENJOYED ALL MY INSTRUCTORS.	5/14/2014 1:53 PM
11	For the most part I enjoyed my learning experience, but when it comes to the main reason I attended college I feel I haven't learned much of anything. Disappointed.	5/13/2014 12:50 PM
12	I had a wonderful experience while at Howard for five semesters. I did not live on campus since I am from Big Spring but none the less it was great. Gayla Williams is by far the best adviser anyone could ask for. If it was not for her, I would not be graduating in 4 days.	5/12/2014 11:30 PM
13	I used the online learning for all but 2 of my courses. I love online courses and so glad that Howard offers them. It is helpful for those who do work and it can be flexible and I can work at my own pace. I was able to maintain a 4.0 GPA and now a member of the phi theta kappa honor society. Thanks for all the help and offering online courses!	5/12/2014 5:01 PM
14	I took a few face to face classes, but mainly on-line. The instructors all had a very well planned syllabus and were very thorough with instructions. My course load was very heavy, but with the willingness of the instructors to answer questions I was able to conquer my tasks without difficulty.	5/12/2014 12:03 PM
15	The vocational instructors are absolutely amazing. They have been the key to my success in this program. They have such a passion for nursing and teaching. I was also enrolled in an online statistics class and had trouble getting help from the instructor. When I reached out the last time to try and get help to improve my grade to passing, instead of helping me, he pointed out what my grade was and when the last day to drop was. This was very discouraging to say the least because instead of helping, he simply pointed out what I already knew and told me when the drop date was. I just wish he would've been a better teacher in that sense.	5/10/2014 10:30 PM
16	Overall, I learned so much from all of my criminal justice instructors. They all seemed to care that I passed my classes and helped me with anything I needed help on.	5/8/2014 11:57 PM
17	I know old food from the countries	5/8/2014 7:44 PM
18	My over all experience was great. It is a great college to attend to form the foundation of your education. The teachers are fun and inviting and I connected with each of them. I didn't go a day without learning and I loved it.	5/8/2014 7:35 AM
19	Attending Howard College was a magnificent experience for me. Howard College became my second home with the friendliest most caring instructors a person could ask for.	5/7/2014 1:44 PM

20	I love SWCID great experience !	5/7/2014 11:46 AM
21	I loved Howard college the years before, but this year was very different. It seemed as if not everyone was for the kids this year they teachers and some staff acted annoyed with helping and being apart of Howard.	5/7/2014 11:31 AM
22	Several of my instructors I feel didn't care! I will say that Mrs. Spurgin and Mrs. Corker were inspirational from the beginning!!! So glad I got to meet these two wonderful, intelligent, caring, women!!!!	5/6/2014 10:22 PM
23	Good	5/6/2014 7:44 PM
24	Howard College was a nice experience from me. Coming from a four-year public university, this was exactly what I needed. It is a good pace for everyone and is a great spot to get a start on your education.	5/6/2014 10:54 AM
25	The building still has broken toilets and water fountains that have been broke for five+ years. Buddy Bauer and Jeff Anderson were the best parts of the program. Too strict on campus. Treated us like we were five. Instituted a very discriminatory no talking rule that felt like oppression. It has since then dissolved. Cafeteria quality was poor, food not service. I found the meals lackluster in both freshness and taste. I found the signing up for classes part of this on orientation day to be a waste of time if I have already signed up online. I had to waste five hours of my life waiting for lines to receive only a couple of initials verifying I already did the damn crap. And I couldn't jump around, being forced to follow the lines in tandem with the mass horde of people. I didn't even need DARS or VRS but had to wait in the line telling me I didn't need it.	5/6/2014 9:02 AM
26	I enjoy Howard College. I'm glad I'm starting out here	5/5/2014 8:28 PM
27	Overall satisfied with all services and the learning experience has been positive.	5/5/2014 11:27 AM
28	Best experience!	5/5/2014 1:52 AM
29	I only took three classes outside of my degree on campus, wonderful experiences. Mr. Barnhill, Mrs. Pullig, and Mrs. Hayes are all great teachers.	5/3/2014 10:58 PM
30	I loved Howard	5/2/2014 6:27 PM
31	My educational experience at Howard College was very fun and exciting. I prefer to start with a smaller community college before attending a huge university. Coming to Howard College was the best experience I have ever had while in school.	5/1/2014 4:51 PM
32	goodddd	5/1/2014 1:56 PM
33	Great Experience, really taught me how to focus and concentrate.	5/1/2014 10:04 AM
34	It was a great experience to attend Howard College. I really love that the instructors are concerned and involved in improving the student's learning skills.	4/30/2014 6:24 PM
35	Worked a lot harder then I thought I could. The program it self was very good. Am glad I did it. Looking forward to the future. Thanks y'all.	4/30/2014 3:16 PM
36	I enjoyed the campus just did not care for 3 sisters teaching one class and over ridding one another and we only read half the book so I was not comfortable taking my test right after school.	4/29/2014 6:36 PM
37	I loved every minute of it	4/28/2014 8:41 PM
38	none	4/28/2014 10:24 AM
39	Overall my experience was good once I was enrolled. At the beginning was a little ruff due to not having much direction where to go. Once experiencing the enrollment and already in class other students helped with some confusion.	4/28/2014 9:57 AM
40	My experience at Howard has been very informative as well as challenging and has given me a foundation to continue to build on ,	4/25/2014 3:05 PM
41	Howard definitely needs to revamp the LVN program and make some updates. As well as finding a director who wants her students to succeed and instructors who want and know how to teach. Mrs. Corker and Mrs. Spurgin are awesome teachers and care for their students! They are the only instructors that are approachable and treat you with respect and remember that you are a human being. Yes we are students and there are rules we must follow but that does not give any instruct the right to talk down to is and treat us like children. And of we complain we lose points off our grade so wake up people and see what's going on!	4/24/2014 5:43 PM

42	the time that I have had here at Howard College was extremely uplifting. The teachers were more than helpful in getting their curriculum clarified to the students and give you the extra push I needed.	4/24/2014 2:08 PM

48	I love my education here at Howard College. The teacher are nice always doing everything they can to help us learn.	4/16/2014 7:52 PM
49	my experience here at Howard college has been really awesome. the instructors knew exactly how to grab your attention in class and explain everything in depth. great college. I have recommended many family and friends.	4/16/2014 10:26 AM
50	I enjoyed my time here at Howard. Really liked all my educators, really cared about my success.	4/16/2014 10:04 AM
51	I was very happy with how Howard helped me get through college. I am 29 years old and they made it very east on me.	4/15/2014 2:34 PM
52	My experience at Howard College has been wonderful, professors were always very interested in what we were learning which made if fun to learn	4/15/2014 1:39 AM
53	Howard College treated me well but glad I was only here for a year.	4/14/2014 2:36 PM
54	Howard College made it easy to come back to School. I have enjoyed my time here and feel I have accomplished the skills I need to move as I further my education and pursue my future goals!	4/14/2014 10:00 AM
55	that I remember during all the time that I attended my classes I had very helpful and enthusiastic instructors that cared about helping students how to learn the material better and would work with me to used those techniques except for one instructor that not even because I implored with him to show me a technique to learn about history better he never cared to do so. Even though history was not my favorite subject I intended to learn all I could but was not successful because I could not concentrate and my instructor did not care to help me.	4/12/2014 1:10 PM
56	Most of the instructors are great, but there are a choice few that aren't friendly, don't respond to emails, and don't go out of their way to help the students.	4/11/2014 9:53 PM
57	Coming to HC was the best decision I made. I attended ASU my first semester out of high school and it was a waste of time and money. Everyone at Howard made me feel welcome and was always willing to help. It has been such a wonderful college experience. As a non-traditional student I have felt very welcomed and understood here. If my circumstances were different, I would like to attend another semester to attain another certificate. Unfortunately I am going through some life changes that will make that currently impossible. I hope to come back soon. I have really enjoyed my time here and I have met people who I would not have known otherwise.	4/11/2014 8:58 AM
58	As an introvert, I'm not a big fan of small classes, classrooms, or a one-on-one experience, but since a lot of people are fans of these things and the professors care, it's not something that I would complain about. Overall, I've enjoyed my time at Howard simply because my teachers actually care.	4/9/2014 5:49 PM
59	I enjoyed my educational experience	4/9/2014 2:49 PM

63	Some days were harder than others. Every instructor had their own unique style of doing things and they never did the same thing alike so sometimes it was hard to follow. Also, if you had a problem with one instructor then all the instructors would make life impossible for that student. Nothing ever happened to me but that is what I saw. Also, you couldn't call instructors by their first names and if you did they would take you into office and warn you. I feel like I didn't get good instruction I didn't get thru all my book there where 13 chapters we didn't cover and I didn't learn nails, make up, how to do ethnic hair, didn't get to experience with color on manikin do to we never had enough color and didn't get to use good bleach and the way it effects hair. I was told highlights turned out the way they did cause the bleach we used was not the good bleach. So there is a lot that I saw that shouldn't have happened and instructors be litting students in front of clients. Those instructors know how to do hair but two outta of the three pulled their weight around a lot. It was hard but I got thru it. Thank God.	4/8/2014 12:04 PM
64	Ability to gain computer skills, working with students from diverse cultural backgrounds, ability to improve my oral communication skills.	4/7/2014 12:07 PM
65	Had a great experience, enjoyed learning on my own online and being determined to finish to move on to a bachelors.	4/6/2014 6:08 PM
66	I enjoyed being in the Music Program	4/4/2014 10:50 AM
67	Academic Adviser/Veteran Representative-Buzz Refugio-outstanding! Helped me get all my courses by any way possible. Need to alert students what type of certification exams they are prepared for when graduating. Asked adviser, instructors, and program director for an answer, and I still do not have an answer to this day. Question was sent to Big Spring, but no response. Need more classes available after 5:30 PM or night courses. Overall, good experience at Howard College-San Angelo.	4/3/2014 9:30 PM
68	it does help me to be much better person and wonderful experience here	4/3/2014 3:16 PM
69	I enjoyed doing my prerequisites; the instructors were wonderful and I learned so much and had the opportunity to take part in college life. However, I feel it did not prepare me for the nursing program, which has been excessively difficult, but the instructors have been mostly positive and helpful and have taught me so much.	4/2/2014 3:05 PM
70	I was a very good experience! Glad I had the opportunity to come to Howard College	4/2/2014 1:12 PM

All of my teachers (especially my ASL and interpreting teachers) have been extremely helpful and encouraging. My academic adviser was wonderful and helped me whenever I had trouble.	3/27/2014 8:50 AM

Howard College - Graduating Student Survey 2013-2014*

83	Overall I have really enjoyed HC. I have been cheering here throughout my education so I've been able to be a part of not only the school but a piece in the community too. I really like that we have a lot of outside support of our college. The only bad experience I've had at Howard would have to be the decision to take 8am classes. Oh my gosh so difficult to get going that early, especially working full time as well. However, I have enjoyed everything with emphasis on Speech with Mr. Davidson, Psychology with Mr. Hickam, and in high school I took a class under Mrs. Burchett which was really great. Thanks for everything.	3/26/2014 5:38 PM
84	great	3/26/2014 1:11 PM
85	The nursing program is rigorous but it helped me find what I wanted to do with the rest of my life. The dorm rules are very strict.	3/26/2014 1:10 PM

92	I was in the nursing program and with the help of many instructors I am finally making it possible to graduate. The instructors especially in the nursing program were all very attentive and helpful.	3/25/2014 11:35 PM
93	The nursing department is amazing. The only complaint I had was that they need a larger budget to buy the newer supplies in order to allow the students access and to be more familiar with the newer equipment. The instructors are always willing to go above and beyond for their students, I wish all teachers were this dedicated.	3/25/2014 8:23 PM
94	It was a good experience for me to learn all the courses I took with my major.	3/25/2014 5:54 PM

99	I have thoroughly enjoyed my time at Howard. There are some very talented instructors at this school and I look forward to coming back for RN school in October.	3/24/2014 2:15 PM
100	My Howard College experience was ok. Most everything at Howard in very unorganized including the dental hygiene program.	3/24/2014 2:00 PM
101	As a part of the dental hygiene program, the instructors have committed to the students and are of great support.	3/24/2014 1:41 PM
102	I have enjoyed the two years of schooling while I've been here at Howard. I have not too much I would complain about. Overall Howard College has been a great school to attend and I would recommend it to friends and family. The Dental Hygiene program was also a great experience, at the beginning there were a few rough patches with certain students and instructors. The situations were handled well but it is still a problem occasionally.	3/24/2014 1:41 PM

104	I have a great time at this college. I started taking concurrent classes in high school. Came back in 2012 to pursue my Dental Hygiene career. Here I am about to graduate and it has been easy to achieve with the help of workers on campus.	3/24/2014 1:32 PM
105	Howard College is very underrated. I feel like more people should enjoy the feeling of a junior college before going into a fast-paced university. The small class sizes make it easy to interact and to get help from the instructors. I have enjoyed my experience at Howard College and have only positive things to say about the campus and staff.	3/24/2014 1:19 PM
106	I had a nice experience at Howard. I was there for 3 years and I have learned a great deal. The teachers are wonderful and understanding.	3/21/2014 11:08 AM

Howard College - Graduating Student Survey 2013-2014*

107	My educational experience was good. My teachers were more than willing to help me out when I had a question. My councilor helped me figure out the best route to take in order for me to acheive my goals.	3/20/2014 6:07 PM
108	Simply put....It has been a wonderful experience!!	3/20/2014 11:03 AM
109	I have usually never had a problem with any instructor most seem eager to help me learn and continue my education. I do wish the respiratory equipment was better updated and we had more to use in the classroom setting to learn before we went into the hospital setting. I do think prereq. courses need to prepare the student better for the healthcare programs before they begin because it is harder than what it seems and the cost is a setback.	3/19/2014 2:41 PM
110	I have had a great experience here at Howard College. Everyone here that I come in contact with every day are extremely friendly and caring and want the students to achieve their highest potential.	3/19/2014 1:49 PM
