	Additional Electives	9		
	EDUC 1100 - Learning Framework	1		
Howard College hours transferable towards ASU Degree		62		

After completion of all classes outlined above, the student may be eligible for **Associate of Science degree from Howard College*****

Howard College may not teach all classes every semester. Please refer to the Class Schedule available on the Howard College website concerning course rotation. If you do not see a course listed on the schedule, please contact an HC advisor for more course options.

*HC Core Curriculum: http://catalog.howardcollege.edu/preview_program.php?catoid=9&poid=1439

***While it is possible for students to complete 60 hours at Howard College and then transfer to ASU, they may not be able to complete their Bachelor's Degree in an additional 2 years depending on the course sequence and ability to take multiple Biology classes in one semester. Therefore, **it is recommended that students transfer to ASU after completing 30 hours at Howard College** and then complete a Reverse Associate Degree after taking classes at ASU. This program transfers ASU courses back to Howard College to complete an associate's degree.

Transfer Information

Degree Requirements classes may be subject to change. Substitutions and exceptions may be available based on individual circumstances. For specific questions about how your classes may transfer to ASU, please contact the ASU Transfer Office for more information.
