Specialization Areas

Physical Therapy and Allied Health Professions (PTAH)

Public Health

Career Opportunities

There is job security with a career in the health science professions. The U.S. Bureau of Labor Statistics projects that the health care industry will add four million jobs by 2022, more than any other industry. The Association of Schools of Public Health suggested an additional 250,000 public health workers would be needed by 2020 to avoid a workforce shortage.
