Note: ***Only completed applications will be considered.*** You must submit the entire application package, including the personal essay and transcripts, to be considered for Howard College scholarships. If you are a current Howard College student applying for scholarships, our staff will pull your transcripts from the registrar's office. All other applicants must include their transcripts with the application.

By completing this application, you will be considered for all general Howard College scholarships which you are eligible to receive. Departmental/performance scholarship categories must be marked if you desire to apply for consideration. The department/performance scholarships may require additional interviews or auditions in order for the student to be considered. You will be contacted separately by the appropriate Howard College staff/faculty if further action is needed.
