Tuition and Fees — The average cost of tuition and fees for a typical student based on enrolling for 30 hours per year. The actual costs that a student incurs will vary depending on the student's degree or certificate program.

Books, course materials, supplies, and equipment—An allowance for books, course materials, and equipment, which must include all such costs required of all students in the same course of study, including a reasonable allowance for the rental or upfront purchase of a personal computer, as determined by the institution.

Living Expenses— A reasonable estimate of what it would cost for food and housing while attending school. Actual costs may vary by individual choices related to location and circumstances.

Transportation — The average costs associated for transportation between campus, residences, and work.

Miscellaneous personal expenses — The average costs associated with personal costs during the academic year such as toiletries, clothes, etc. for a student attending the institution on at least a half-time basis.
