Admission information

It is the policy of Howard College not to discriminate on the basis of sex, race, color, religion, age, national origin, veteran, or qualified disability in educational programs, activities admission, or employment policies.

All applicants to the Howard College Accelerated/Transition associate degree nursing program who have met the requirements for admission to the college will be evaluated according to the criteria specified.

Pre-Testing - Students seeking admission to the Associate Degree Nursing Program must take the Test of Essential Academic Skills Test (TEAS). The TEAS test can be taken once every 30 days. The maximum number of times the TEAS may be taken is three (3) in a year. Only the most updated version of TEAS scores will be accepted. TEAS scores not taken at Howard College will be accepted from ATI mailed or emailed directly to the Howard College Nursing office. The TEAS test will be given at the testing center, (432) 264-5618. You will be responsible for registering and paying for the TEAS exam through the ATI website (www.atitesting.com).

Computer Access-All students must have access to a computer (preferably with Microsoft Office) and a printer. Internet access and access to a computer compatible with Microsoft Office are required for the online courses in the program.

Online Nurses Classes- Accelerated/Transition Lecture courses are presented in an online format; however, the clinical courses are in the traditional environment. All testing will take place on the Big Spring campus per course schedule.

If you have any questions, you can contact the nursing department at 432-264-5070, (264-5142 fax) or email mpope@howardcollege.edu.

ADMISSION REQUIREMENTS

- ✓ Completed Nursing application form for admission into the Accelerated PM to RN program
- ✓ Completed Howard College application form for admission into Howard College.
- ✓ An official transcript from each college/university attended that shows proof of pre-requisite Courses and PM coursework should be sent to the Nursing Department. Please send transcript attention to Nursing Department.
- ✓ Results of the TEAS examination. (See selection criteria for scoring)
- ✓ Placement of transfer students is dependent upon vacancies existing within established enrollment limits and the written approval of the Program Director.
- ✓ Background check through Castle Branch completed: <https://portal.castlebranch.com/HH80>
- ✓ Proof of at least 2 doses of the Hepatitis B series.
- ✓ Proof/copy of unencumbered Paramedic License or Certificate.

Required Immunizations

- ❖ MMR or Titer
- ❖ HBV (3 doses) or Titer
- ❖ Varicella (2 doses) or Titer
- ❖ TDAP (every 10 years)
- ❖ FLU (every year)
- ❖ TB (every year)
- ❖ COVID (required per clinical site or exemption per clinical site)

An applicant's file is not complete until all the admission requirements have been submitted (TEAS exam, transcripts, background check, immunizations, and all required documents).

Applicants are responsible for keeping their file updated with current addresses and phone numbers. A new application must be completed for each year you wish to be considered for admission. It is the applicant's responsibility to submit all required documents, to make all appointments, and to pay all fees.

Completion of the program will be affected by the student's ability to successfully complete the required clinical rotations. Clinical rotations are completed at sites specified by and contracted with Howard College. *Howard College will not locate or provide alternative sites for clinical rotations for students' ineligible to attend clinical rotations at the specified sites.*

BACKGROUND CHECK INFORMATION

To be considered as an applicant for the nursing program, the Texas Board of Nursing now requires all students to be fingerprinted and pass a DPS/FBI criminal background check prior to being accepted into a nursing program.

Within 2 – 3 weeks after the application deadline you will receive instructions from Howard College Nursing on how to schedule fingerprints to begin the Board of Nursing background check process.

After fingerprints have been completed and received by the Board of Nursing you will receive one of the following:

1) A blue card which indicates your background check is clear. This will need to be turned into the nursing department to complete your application folder.

OR

2) A letter from the Board of Nursing advising you to begin the Declaratory Order Process. This letter must be submitted to the nursing department to complete your application folder.

*****Students who have a positive criminal history or answer “YES” to any question on the application for licensure will be required to go through the declaratory order process.***** If the nature of the issue can be resolved within the delegated authority of the Operations Department, there will be no charge and the student will be sent an “outcome letter” stating that they will be allowed to take the NCLEX upon graduation. If the nature of the criminal issue is beyond the delegated authority of the Operations Department and must be transferred to the Enforcement Department for review, the student will be billed the review fee. Only upon receipt of the fee will the file be transferred to the Enforcement Department for review. This process could take up to 4-6 months or longer.

If an applicant cannot present a “blue card” or “outcome letter” then they are not eligible to be accepted into the program.

Successful completion of a background check does not guarantee licensure or employment after graduation.

Students may be required by a clinical facility to submit to a random selection for a drug-screening test. Students may be required by a clinical facility to submit to an additional background check and fingerprinting. If a student does not pass the background check or the drug test and is unable to attend clinical, the student will be unable to fulfill the course requirements and failure of the course may occur. It is not the responsibility of the nursing faculty or Howard College to make alternative arrangements for clinical hours. Students selected alternatives will not be accepted.

The Declaratory Order process permits the Board of Nursing to make decisions regarding your eligibility for licensure prior to entering or completing a nursing program. If you answered “yes” to any of the above questions, please research the Declaratory Order process at www.bon.state.tx.us, go to Forms, then to Declaratory Orders. The Board of Nursing will not make eligibility determinations over the phone and/or email. Eligibility determinations take a minimum of 3-6 months.

GRADUATION FROM THE ACCELERATED ASSOCIATE DEGREE NURING PROGRAM DOES NOT GUARANTEE THE GRADUATE WILL BE ALLOWED TO SIT FOR THE NCLEX-RN (STATE BOARD EXAMINATION).

APPLICATION FOR LICENSURE

Prior to submitting an application, an applicant with a criminal history must have a cleared Declaratory Order letter from the Texas Board of Nursing (BON). Information is available at <http://bon.state.tx.us/olv/pdfs/DOapp.pdf>. Please be aware that this may take a year or longer and Howard College has no control over the process. Plan accordingly in order to meet the application deadline of the program for which you are applying.

Failure to do a declaratory order may result in dismissal from the program. Any questions or concerns on past offenses, please contact the Board of Nursing directly.
