Defend Your Company from Fraud

Watch Out for Different Types of Fraud

Phishing Emails
- These are fake emails, sometimes with links to fake websites, trying to scam you into surrendering private information.
- Do NOT provide any information to fake emails or links from those emails.

Fraudulent Phone Calls
- Never tell anyone your CEO portal Password, Token Passcode, and PIN number.
- Only give your User ID and Company ID when you are sure the call is from a Wells Fargo representative.
- It is good practice to never offer information unless you initiate the call or are expecting a call from a Wells Fargo representative.

Help! I might have received a fraudulent email or phone call!
- If you receive a fraudulent phishing email or telephone call, report the details to ReportPhish@wellsfargo.com.
- Contact your relationship manager or call toll free at 1-800-AT-WELLS (1-800-289-3557).
Access the **Commercial Card Expense Reporting** service

If CCER is the only service that you will access, you can choose to automatically open CCER each time you sign on - bypassing the CEO home page (Edit Automatic Access / turn on and Save)

- Click the link for **Commercial Card Expense Reporting**. A separate browser window opens and displays the CCER service.

- Click on Help to register for free online CEO product training and to download Quick Reference and User Guides.
