

**SWCD President's Student Roundtable**  
**MSC Auditorium**  
**September 23, 2022**

Dr. Sparks welcomed everyone, reviewed the ground rules, reviewed how issues are addressed, and began Student and staff introductions. The student concerns are sent to the appropriate areas to be addressed and then these are presented to our students at the next President's Student Roundtable to be held in Spring 2023.

The President's Student Roundtable has been implemented for over two decades now and the purpose behind this is to find out how Howard College can serve our students better.
