## ADVANCE CARDIO LIFE SUPPORT INITIAL CERTIFICATION - RNSG2002 RENEWAL - NFAC1002

### Course Description

ACLS builds on the foundation of basic life support (BLS) skills, emphasizing the importance of continuous, high-quality CPR. The course highlights high-performance team dynamics and communication; systems of care; and recognition of and intervention in cardiopulmonary arrest, immediate post-cardiac arrest, acute dysrhythmia, stroke, and acute coronary syndromes (ACS).

### Learning Outcomes

- perform prompt, high quality BLS and early management of respiratory arrest,
- recognize and perform early management ; of bradyarrhythmias, tachyarrhythmias, cardiac arrest,
- model effective communication,
- recognize the impact of team dynamic,
- define systems of care.

### Prerequisites:

- Obtain an ACLS Book
- Complete pre-test prior to training date (website and password for test located in back of book)
- Refresh on course content prior to class
- Present a **current** ACLS card (**FOR RENEWAL ONLY**)
